

HILLSDALE KIWANIS

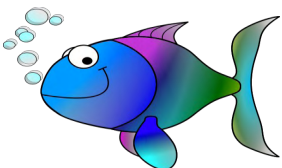

JUNE 2015

Volume 20 Issue 8

Roger's Message

ROGER BROOK
“AND ... Our weekly lunch meetings continue throughout the summer with good fellowship and good programs. If you have not been to a lunch meeting recently, summer may be your time to come again.

President by Committee...Several of our past presidents have stepped up to serve on a short-term basis as presidents through this year.

FLAGS PROJECT

By the time you read this the Flags Project will be off and running, with Memorial Day behind us. This project is an important fund raiser for the club, not only helping to provide donations to community groups, but to also provide funds for the Cold Spring Park project. If you are not involved in this project, please consider how you might help. You could join one of the groups putting out flags. Or you could agree to take care of 8– 10 flags in your neighborhood. Contact Tom Osbourne to volunteer.

MAY THE SUMMER BEGIN

School is ending soon. Already, some of our projects have ended. The Head Start reading program finished the first week in May. The Terrific Kids program will have its last assembly in early June. Most service leadership programs will end with the end of the school year. Our weekly meetings will continue every Tuesday at noon. Kiwanis service programs continue for the summer.

- The flag program for Flag day in June, Independence Day, and Labor Day in September (traditionally the end of summer), and Veteran's Day in November (if there is not snow on the ground).
- June 13: Kid's fishing Derby at Lewis Emery Park. Come and help measure fish and other stuff caught by the kids.
- June 17: Kid's Fest at the Fairgrounds, 10am-3pm; Emily Amburgey needs help from club members during the event.
- June 27: Skate All Day at Stadium Roller Skating, 11am-4pm; free for children 12 or younger, sponsored by Hillsdale Kiwanis bring your kids or grandkids, or just come and see the action.
- July 3: Great American Celebration—Generally includes a parade through downtown and fireworks at the Fairgrounds. Watch for more details.
- August 5: Hillsdale Kiwanis golf outing, raising funds for the Michigan Foundation, which supports programs at the children's hospitals in Michigan. Get our team together, or plan to help out as needed.
- August 27-30: Michigan District Kiwanis convention at the Marriott Renaissance Center in Detroit.
- September 27-October 3: Parking at the Fairgrounds; another important club fun raiser; Joan will be looking for your assistance; please put this on your calendar now

So...check your calendars and prepare to pitch in and help.

AND THEN SCHOOL STARTS AGAIN. . .

The Second Ten...

...and there shalt be a second ten commandments that thou shalt give unto thyself, and these shalt be:

Thou shalt forever be easy to get along with, even when things are NOT done thy way.

Thou shalt endeavor to keep thyself flexible, and seek thy enjoyment in pleasing not only thyself, but others as well, by doing it their way ONCE in a while.

Thou shalt at times use discretion and keep thy big mouth shut—but thou shalt not remain silent at ALL times, for it is well that thou shouldst occasionally let it be known what is in thy heart and in thy mind about this, that, and the other.

Thou shalt be expected to express thy pleasure as well as to share thy problems for thou shalt find that in so doing, thy pleasures shalt be multiplied, and thy problems shalt be divided.

Thou shalt remember always, however, that what thou ART speaks so loud that often one cannot hear what is SAID by thee—and thy actions are therefore more important than thy words.

Thou shalt remember that those who surround thee, like thyself, art busy struggling with themselves as well as with the rest of the world, and that thy job shalt be to help them win this battle by finding time for words of encouragement as well as criticism.

Thou shalt refrain from placing undue emphasis upon the material things of this life and the darn price tag that goeth with each.

Thou shalt remember, however, that certain obligations must always be met, that these shalt always be greater than thy resources, and it shalt be necessary for thee to picketh and to chooseth—and to be flexible in such matters.

Thou shalt remember that it is thy duty—and it shouldst be thy pleasure—to serve all those who surround thee, for in so doing thou shalt then have every right to expect them to serve thee.

Finally, thou shalt remember that other people as well as thee shalt have faults, and that whilst many of these canst be corrected, there shalt be others which can only be accepted—and it shalt be a rule that the faults of both thee and them shalt be accepted with a big cotton-pickin' chicken-plucken smile upon thy face!
